The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth House Office Building  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for critical infrastructure water improvements in fiscal year 2024. The entity to receive funding for this project is the Incorporated Village of Sands Point, located at 26 Tibbits Lane, Sands Point, NY, 11050.

The funding would be used for the installation of a granulated activated carbon (GAC) filtration system, the installation of a new well and the laying of a new transmission main to connect parts of the Sands Point, NY water infrastructure.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
